

Sunday it kept steadily at it. Monday, however, brought an improvement and it is to be hoped farmers will get a chance to do their seedling.

Alma Red Won.

The excellent standard bred stallion, Alma Red, owned by John Kanna-win of this town, attracted great attention at the Erin Township horse show, held at Hillsburg recently. Horse-fanciers were loud in their praises of this horse and one and all agreed that it would be to the interests of breeders to look over this stallion if they want to raise stock that brings the high prices.

Gem Theatre.

For tonight the program will be "The Lion's Claws" which is getting interesting, also a five reel feature, "The Man From Nowhere." Friday and Saturday nights will see Charlie Chaplin in "Vagabond" and a 5-reel feature, "Who Loved Him Best." Monday and Tuesday, "The Bull's Eye." Don't miss it as it is getting very near the end, also a 5-reel film. Matinee, Thursday and Saturday. Admission 10 and 15 cents.

Then Only.

When the grasshopper ceases to hop and the old cow quits her bawling; when the fishes no longer flop and the baby stops its squalling; when the dunners no longer dun and the hoot-owl quits its hooting; when the vine no longer runs and the skylark stops its larking; when the sun no longer shines and the young man quits his sparking; when the heavens begin to drop and old maids stop advising; then it's time to shut up shop and quit your advertising.

Trains Will Run Through.

The Owen Sound and Teeswater wayfreights, which have been running out of Orangeville, will run from Toronto Junction to these points after today. Both the moonlight and Weston freight trains will also be pulled off. The way freights will probably be restored next October. One of the three operators, Mr. King, will be moved to another point and the station will be closed from 11.30 p. m. until 6.30 a. m. The C. P. R. is cutting down expenses.

the Home Losing Its Power" or "The Home versus Socialism and Bolshevism."

HOSPITAL NOTES

The regular monthly meeting of Lord Dufferin Chapter of the I. O. D. E. will be held at the home of Mrs. Dr. Macleod, Friday, May 9th at 3.30 p. m.

A web of gauze donated to the Hospital from the Marsville Woman's Institute is appreciated very much.

Many thanks to the members of the Ugigo Club for the splendid sum of \$56.89 donated to the building fund of the Hospital.

Also wish to thank Mr. Ed. Robinson for donating \$2.00 towards the flower fund, and Mrs. Walter Fairbairn for vegetables.

PIN FOUND

A Soldier's Pin, belonging to one who had reached England, was found by two ladies and left at this office. Owner can have same by calling at THE SUN

CARD OF THANKS

I wish to thank the neighbors and friends for their kindness and attention to my mother during her recent illness and I cannot repay them for their many acts of kind-heartedness. Joseph Hilley.

PRIVATE SALE

The following articles will be disposed of by private sale at St. Marks Rectory:

1 Dining Room Table, 5 chairs and 1 arm chair, 1 Buffet. This is a complete dining room outfit and all match. 2 Easy Chairs, 1 Refrigerator (nearly new).

Call any time to-day (Thursday) or on Monday.

JESSIE ALEXANDER COMING

Hear Jessie Alexander, Canada's Popular Entertainer, in St. Andrew's Church, Orangeville, Monday evening May 12th. Admission 25cents.

EVERYBODY NEEDS PURE, RICH BLOOD

Pure blood enables the stomach, liver and other digestive organs to do their work properly. Without it they are sluggish, there is loss of appetite, sometimes faintness, a deranged state of the intestines, and, in general, all the symptoms of dyspepsia.

Pure blood is required by every organ of the body for the proper performance of its functions.

Hood's Sarsaparilla makes pure blood, and this is why it is so successful in the treatment of so many diseases and ailments. Its acts directly on the blood, ridding it of scrofulous and other humors. It is a peculiar combination of blood-purifying, nerve-toning, strength-giving substances. Get it today.

NOTICE TO CREDITORS

In the Estate of Thomas Finnigan, late of the Village of Alton, in the County of Peel, Gentleman, deceased.

Notice is hereby given that all persons having claims against the estate of the said Thomas Finnigan, who died on the 30th day of March, 1919, are required to deliver to Owen Finnigan, Alton P. O., Ontario, the executor of the estate of the said deceased on or before the 20th day of May, 1919, a full statement of their claims with particulars thereof and the nature of the security, if any, held by them.

And take notice that after the said 20th day of May the said executor will proceed to distribute the assets of the estate of the said deceased among the parties entitled there to having regard only to such claims as he shall have received notice thereof.

Dated at Orangeville the 26th day of April, 1919.

GEO. ROBB,
Orangeville, P. O.

Solicitor for the said Executor.

MAY 6, 1919

ing the past two months. It is encouraging to us to have practical evidence that our efforts to produce a newsy local paper are being appreciated. If you are not yet a subscriber to THE SUN you should become one at once. Why not start right now?

Freight Trains Back.

Yesterday morning the Owen Sound and Teeswater way freight trains commenced running out of Orangeville again and the moonlight also resumed business. Several weeks ago a change was made and the trains were run through to West Toronto. The run was too big and the service too slow, so Orangeville was again made a terminus and the men who were laid off have got back their jobs again.

Orangeville's Mammoth Celebration, August 4th.

How About Your Income?

Not a few are experiencing great difficulty about filling out the statement of their income and resources and liabilities. The Government has committed itself to this method of collecting revenue and there is nothing left but to get busy and make out the required statement. It is plainly evident all business men and farmers will have to keep their accounts in greater detail. The keeping of a cash book and a day book will hardly suffice; nothing short of a modern system of accounting will give the data required. Besides, when the Government auditors come around guess work will not do

RAILWAY TIED UP

Snowstorm Demoralizes Traffic and Halts Trains

Sunday's big snowstorm, which continued all day Monday and most of Tuesday, tied up railway traffic north and west of Orangeville. Monday night's Teeswater train was stalled at Grand Valley, but the Owen Sound train reached its destination several hours late. The trains from these points were cancelled Tuesday, but both trains from Toronto reached Orangeville pretty well on time and returned to the city.

Plows Open the Lines
Plows were kept going all Tuesday and succeeded in opening the lines and yesterday normal traffic conditions prevailed so far as passenger trains were concerned, but freight business was badly disorganized. If there are any more severe storms it will play hob with the railways.

OBITUARY

Catharine Hackett

On Monday Catharine, beloved wife of James Hackett, shoemaker, passed away after a prolonged illness. The late Mrs. Hackett was an old resident of Orangeville and was highly respected. She was 76 years of age and leaves a husband and grown-up family to mourn her death. The funeral took place to the Forest Lawn cemetery on Tuesday afternoon.

Mrs. Arthur J. Morrison

Janet M. Endacott, beloved wife of Arthur J. Morrison, passed away at her home, Willowdale Farm, Ching-uacousy township, on Monday. Deceased, who was 85 years of age, was the last surviving sister of Sheriff Endacott of this town. The late Mrs. Morrison was very highly esteemed by all who knew her and her death is very much regretted. The funeral took place to the Tullamore cemetery yesterday afternoon.

Mrs. Walter F. Clutterbuck

SECOND ROUND IN CALEDON PHONE CASE

More Evidence Taken and Board Reserves Decision—Township May Get Relief

Another session of the Ontario Railway and Municipal Board was held at the court house on Friday. Chairman McIntyre presided and the proceedings lasted all day. There was a large number of farmers from Caledon and Erin township present, but not so large as at the sitting a week previously. Argument by counsel occupied a great deal of time and at the conclusion the chairman announced that the board would reserve its decision.

May Find a Way Out
The general impression of the crowd was that the concern would go back to the shareholders or that the township of Caledon would have to take it over at the price offered by the company, \$28,000, instead of \$41,000, as made by an engineer who valued the concern.

THE METHODIST CHURCH

Conductor Scanlon Was the
Victim of a Murderous
Assault at Dundalk
Station Last Week

A very interesting session of the Epworth League was held last Monday evening. The meeting was in charge of the Literary Committee whose Convenor is Mr. Ellis Liddy and he and his friends are to be congratulated upon the success of the evening's event. Mr. Graham Kearns made an efficient chairman. Musical selections were given by Mrs. Liddy and Messrs. Robinson and Morrow. Mr. C. R. McKeown gave a most instructive address upon the Constitutional Government of Canada and Ontario. He earnestly appealed to the young people present to be thoroughly informed as to the system under which we live and to take their full place as wise, intelligent and useful citizens.

Under the leadership of Mr. Jessop, the musical part of the regular services on Sunday is beyond praise. Not only are the anthems rendered with great power but the whole musical service is reverent, beautiful and helpful; and the large audiences both morning and evening show how sincerely the services are appreciated.

Last Sunday evening Rev. E. R. Young gave the fourth sermon in the series on the destructive power of evil and the necessity for a Saviour from sin. Evolution, said Mr. Young, was a comforting doctrine when applied to that which is good. It is a pleasant thing to contemplate that which is crude growing into that which is perfect, the bud into the apple, the child into the man, the penitent into the saint; but there is another side which shows us the development of evil, from the germ to the disease, the moth's egg to the corrupting worm, the evil thought to the vile and wicked sinner. Next Sunday evening the last of this series will be given: "Dies Irae, or The Punishment of Sin."

There will be a special service on Good Friday morning at 11 A. M.

G. W. V. A. NOTES

The last general meeting was held on March 11th with an average attendance. The electric sign with the G. W. V. A. crest painted on it is still waiting patiently to be put in place. Long and arduous have been the labors of the House Committee and we are at last able to state with some truth that every effort will be put forth to place the sign where all weary Vets. may see it and profit.

The Bugle Band will have the use of the Club rooms for an hour every Monday and Thursday evening.

Col. Preston is now attending the Peterboro convention after which he will attend the Dominion convention at Montreal as a delegate of the Orangeville Branch.

Allan W. Fisher was duly initiated

BAPTIST CHURCH

Synopsis of Sermon Preached Sunday
Evening, March 21st, by Rev.
John Dodds—The Scripture
Daniel 7—The Theme
—"The Four Beasts"

Introduction.—Daniel was probably being left to insignificance and obscurity as far as Belshazzar was concerned. But this would afford him a better opportunity to address himself to that important ministry of his life, that of being God's revelation of the momentous future of Gentile powers, and of the Jews. He has no equal in that glorious ministry of revelation except John. And the two are remarkably related. Daniel reveals the last days with respect to the coming of the Jews into terrestrial supremacy over the earth under Messiah; John reveals the last days with respect to the church coming into celestial supremacy over the earth with her glorious head.

There is a strange averseness on the part of some of God's people to the prophetic Word; and on the part of others to combat it and deny it. The only explanation I can give for this is that the prophetic Word is so important and therefore Satan does his utmost—not only those who deny it, but those who neglect it—to prevent them entering into it, because he knows they will see God's plans of the ages, and thereby his devices will be exposed.

Prophecy is the very essence of Scripture. He who does not understand the Prophetic Word cannot interpret the Word of God as a whole; nor understand the present day experiences which are contrary to all man's ambitions and ideals.

Analysis I. The Four Beasts.

(a) The lion with the eagle wings (v. 4.) undoubtedly represents the first gentile empire, (Babylon) of the times of the gentiles.

(b) The Bear with one side raised up from whose mouth there were three ribs (v. 5.) represents the Medo-Persian Empire. The one side of the beast raised up indicates the rise to supremacy of the Persian mouth of the bear indicates the three power in the Empire. The ribs in the provinces of Susiana, Lydia and Asia Minor conquered.

(c) The Leopard with the four wings and the four heads (v. 5.) unquestionably refers to the Grecian Empire. The wings show the rapidity of conquest by Alexander, and the four heads the four-fold division of the Empire into the Kingdoms of Syria, Egypt, Macedonia, and Thrace.

(d) The fourth beast is the non-descript of scripture (v. 7) and it represents the Roman Empire.

II. "The Little Horn," or "The revival of the Roman Empire"

PERSONAL

Mrs. E. J. Ellis was the guest of Toronto friends this week.

Mr. Leonard Edwards of Toronto was in town over Sunday.

Mrs. El. Ling and daughter, Reda, spent a few days in Toronto last week.

Miss Violet Ruddy of Georgetown spent the week-end with Miss Winnie Varcoe.

Mrs. W. A. Clowes spent a few days last week with Mrs. John Moffatt at Glen Cross.

Mr. Allan McLean of Perth, has returned home after a visit with Mr. Herbert Leggett.

Until further notice the Orangeville dentists will close their dental parlors Wednesday afternoons.

Mrs. Gordon Charles and little daughter of Toronto are visiting the former's parents, Mr. and Mrs. D. Riley of Wellington street.

Mr. and Mrs. McKay and son arrived from England last week and spent a few days with Mr. and Mrs. Wm. Clowes. Mrs. McKay is a sister of Mr. Clowes.

Mr. Alex. Fleming, younger son of Mr. and Mrs. George Fleming, left town Tuesday morning to accept a position on the staff of the Southern Press, Toronto. Alex. is a popular young man and should make good.

Miss Lola Robinson, daughter of Mr. and Mrs. Thos. Robinson, has passed her Preparatory Piano Examination with honors at the Canadian Academy and Toronto College of Music. Owing to sickness Miss Robinson could not try at the time of the examinations. The young lady is a pupil of Miss Kathleen Fleming, A. C. A. M.

Mr. Thomas C. West of San Francisco, Cal., accompanied by his sister, Mrs. C. J. Robinson of Toronto, spent a few days in town this week renewing old acquaintances here. Mr. West has practised law in San Francisco for a number of years and has specialized on mining law. He has been engaged as counsel on some of the biggest cases that have come before the U. S. courts and we are pleased indeed to see that our former Orangeville boy fills an important place in legal circles at Frisco.

CALEDON

Miss Edna M. Sutton is visiting with Toronto friends.

Mrs. Wm. Widdis had a very successful sale on Tuesday.

Mrs. McNabe of Tottenham is visiting her daughter, Mrs. A. B. Smith.

Mr. Harry Nichols, C. P. R. Station Agent, is able to be on the job again.

Mrs. Atkinson is in Toronto visiting her daughter, Miss Neta Atkin-

Mr. Dean of Elmvale, who was receiving Mr. Nichols, has gone to Dun-

HURT IN CALEDON WRECK DIES THIRTEEN YEARS LATER

Minister's Wife Never Recovered
From Injuries Received at
Horseshoe Mishap

As a result of injuries received nearly thirteen years ago in the Caledon train wreck, Mrs. Annie I. Wilson, wife of Rev. J. C. Wilson, died Thursday morning at her home, 251 Havelock street, Toronto. Mrs. Wilson was well on Tuesday, but after a fall early in the afternoon she lapsed into unconsciousness, and died at 4 o'clock.

Mrs. Wilson was born in England, but came to this country when eleven years of age, and, until her marriage, lived with her parents in Peterboro'. Following the train wreck Mr. Wilson was superannuated, and has since lived in Toronto. Three years ago the couple celebrated their golden wedding.

Besides her husband, Mrs. Wilson is survived by one daughter, Miss Annie, at home, and one son, Rev. J. S. I. Wilson, pastor of Cobourg Methodist Church. Another son, Dr. Wilson, was drowned a number of years ago when his canoe upset in the Lake of the Woods.

Farm Sold.

John B. Lane of East Garafraxa has sold his fine 200-acre farm, being Lots 2 and 3, Concession 16 in the Township of East Garafraxa to M. Gray of Rochester, N. Y. We understand it was a cash deal and was put through by George Wilkins, Real Estate and Insurance Agent, Orangeville, Ont.

All the latest Magazines and Sunday News Papers at Grigg's Variety Store.

Play at Bracebridge.

The Dufferins and a number of their supporters leave this afternoon for Bracebridge, where they will play the semi-final championship game to-morrow. The boys will travel by motor and the distance is 106 miles or 212 return.

Motor Car Jumped Track.

While engaged in trying out a new railway motor car in the C. P. R. yards here on Monday H. Ross of Toronto received painful injuries. The car ran into a "frog" and jumped the track, throwing Mr. Ross off. His collarbone was broken and he was severely shaken up. Dr. T. H. Henry attended to his injuries and he was able to return home on the evening train.

ORANGEVILLE, ONTARIO, THURSDAY, DECEMBER 23, 1920.

<p>LEAD THEM</p> <p>Was Nearly and River</p>	<p>In spite of repeated efforts on the Board of Trade in Owen Sound to have the C. P. R. place a parlor-car on the run between Owen Sound and Toronto, word has been received that the C. P. R. definitely refuses to take action, alleging that the traffic would not warrant this at the present time and stating that such a car is not available at present. There has been a lot of correspondence on the matter, and the way in which the Board of Trade purpose going after this, there will be a whole lot more. If the C. P. R. trains are slowed down any more than at present, the demand will be for sleepers instead of parlor cars. What is needed, according to a prominent member of the Board of Trade, is a fast express service, also carrying passengers, in addition to the present service. Too much time is wasted at stations in transferring express these days and are responsible for a very slow and inadequate service on this branch of both the C. P. R. and G. T. R. The Board of Trade will go into the matter at their annual meeting when it is hoped that a solution will be found. If a united front is displayed, there is little doubt but that some improvement can be secured, and, if not through the railway officials, the matter may be made the subject of an application to the Railway Commission.—Owen Sound Sun.</p>	<p>THE COST OF COAL</p> <p>Mr. F. <p>JAIL FOR ASSAULTING WIFE</p> <p>Caretaker of Brampton Post Office Fined and Doing a Month</p>	<p>Bert Cook, caretaker of Brampton Post Office, is in jail for a month, with the prospects of two more if he doesn't pay a fine of \$30 and costs. The accused came before P. M. Crawford last week. The man made no defence and he was convicted on his wife's story, corroborated as regards the existence of bruises on her body by her family doctor.</p> <p>The wife's story in short was that he had knocked her down a stairway and dragged her by the hair of the head; that he was drunk. Some years ago when living at Snelgrove she had him up, when he got off with a warning. Then the war came along and Bert enlisted and has a badly crippled hand as a result of his experience. He got the position of caretaker of the post-office through the vote of the local G. W. V. A.</p> <p>Cook's friends say that he is a good natured fellow and when sober the wife was always boss and that she is a hard woman to put up with. She can neither read nor write. Both Cook and his wife are native-born Canadians and are from the same school section near Cookstown. With his post office position, his pension and the money he made as carrier of a mail route, Cook was doing well, but "prohibition" as we have it in Brampton put the skids under him. Post Office Inspector Hastings was in town yesterday and obtained Cook's resignation and the position</p>	<p>NO PARLOR CAR SERVICE</p>

A VETERAN ENGINEER

James Hyland Calls on a Number of Old Friends

Recently James Hyland of Toronto paid a visit to his friend, Mr. Collins of the Queen's hotel and during his stay in town looked up a number of his old friends.

Fifty Years a Railroad

Mr. Hyland, who is still hale and hearty, was engaged in railway work as a fireman and engineer for 50 years. He retired from the service of the C. P. R. a few years ago. Mr. Hyland started with the old Toronto, Grey & Bruce in 1873, shortly after the road was opened for traffic, when it was narrow gauge and had little toy engines and cars not quarter as big as those of the present day. He continued with the T. G. & B. until it was absorbed by the C. P. R. in 1881 and remained with the latter company until he retired on pension. For 32 years Mr. Hyland was engineer on the Teeswater branch and was in charge of the construction train that built the road into Harriston. He was very fortunate in never having a serious accident. Thirty years ago Mr. Hyland lived in Orangeville, but has resided in Toronto since.

It is needless to say that all "Jimmy's" old friends were pleased to see him in such prime physical condition and THE SUN was glad with the half-hour's chat we had with him.

DEATH OF L. J. BARBARÉE

Pneumonia Develops From Cold Caught After Operation

Lambert J. Barbaree, a well-known farmer of East Luther township, near Grand Valley, and for many years a resident of Milton, died at Milton Sunday night at the home of his daughter, Mrs. George Hill. He went to Milton a week ago and underwent an operation on the throat at a local doctor's office, and while being taken to Mrs. Hill's home contracted a cold, from which pneumonia developed. He was born in Nasaagaweya township, near Milton, 80 years ago.

FROM POTTER'S FIELD TO REST NEAR MOTHER

Buried in Potters' Field in Mount Pleasant Cemetery for three months and a half as an "unknown", the mangled body of the girl who was found on the Grand Trunk tracks at East Toronto on Saturday, October 9, last year, was to-day identified as that of Edna May Parkin, sixteen-year-old daughter of Thomas Parkin, 55 Peterborough avenue. She had been employed as a telephone operator at the Kenwood Exchange.

Her father identified a pair of shoes, tattered pieces of her dress and overcoat at police headquarters to-day.

"I will have my daughter removed from Mount Pleasant cemetery and

SAM HADDEN PASSES

Old-Time Printer Succumbs to a Stroke at Toronto

The death occurred early Tuesday morning of Samuel Hadden, aged 85, at St. Michael's Hospital, Toronto. Mr. Hadden was the energetic secretary-treasurer of the Typographical Union, and on Saturday morning he was at work in the office, 35 Richmond St., west. He had been suffering from Bright's disease for some years, but until lately it had not prevented him from carrying on his duties. He was born in Mono, near Orangeville, but spent most of his life in Toronto. In the early seventies he learned the printing business in THE SUN. He had been attached to the Typographical Union work for many years, and previous to 1910 was president for at least two years. For several years he was delegate to the Trades and Labor Congress. Following his presidency he retired from active business for some time. In 1911 he became secretary of the union, and for the past 18 months had been secretary-treasurer.

George Murray, one of his close associates for many years, said: "He had the same religion as I have, the Typographical Union. He was completely attached to that organization when he was in good health. He was a good friend to all of us and always devoted his best energies to the

FARM WOMAN SHOULD HAVE HUSBAND FOR FIELD WORK. ANOTHER FOR CHORES

Replying to suggestion of two wives for Farmer, Colorado Woman Says They Always Have Two, the "First Dying of Drudgery"

Two husbands for the woman on a farm is the suggestion of Mary Cornwall, of Woodrow, Colorado, in a letter to Governor Shoup. The letter is an answer to the letter of George Smith, Colorado farmer, who recommended that the Governor get behind a law permitting farmers to have two wives.

Miss Cornwall, or Mrs. Cornwall—it is not apparent from her letter whether she is married or single—shakes a vitriolic pen. She does not agree in the least with Farmer Smith's suggestion, as may be seen from her letter to the Governor, which follows:

"I have read that a farmer applied to you suggesting that farmers should have two wives—at the same time.

It should be reversed. The wife should have two husbands at the same time.

The farmer rises, sits down to a good breakfast that has been prepared for him, gets on his sulky plow, his tractor or his harvester, and rides in the shade, comes in to a good dinner, rides again, the hired man puts away the machines or animals, the farmer reads his papers and cultivates his grouch.

The wife rises at 4, prepares

The Sun

It Comes For All

ORANGEVILLE, APRIL 20, 1922

What Are They Paid For?

WHAT are the people of Ontario paying their members of the legislature for anyway? Is it to go to Queen's park and appoint highly-paid commissioners to investigate, this, that and the other question that the members themselves should do? When the U. F. O. government assumed power we candidly admit that we expected an era of progressive, economical and democratic legislation. In this we have been very much disappointed. If the U. F. O. had searched the province from

WE observe that very few towns are going in for daylight saving this year. The idea of putting the clock on an hour in summer is a good one, but why the scheme encountered such violent opposition is hard to fathom. Unless it is adopted by the nation, however, daylight saving becomes an unmitigated nuisance. With one town on standard time and the next on daylight saving people were put to a great deal of inconvenience.

C. P. R. DERAILED

Spread Rail Blamed For C. P. R. Wreck At Glenannan

On Wednesday night about 10 p. m., the late C. P. R. coming into Wingham was badly wrecked near Glenannan. This is the third accident on this road during the past few months and we believe the light rails should be replaced by heavier as the large engines are used on this service.

Baggageman Marshall Pape, thrown from his car when it piled up on the tender of the engine, was most seriously injured. He was taken to the Wingham Hospital. Conductor Walker was with him in the baggage car and was badly bruised by the impact.

When the engine hit what it believed to have been a spread rail it buried its nose in the right-of-way and turned sideways. The train had been travelling at a fairly good speed. Engineer Hylad and Fireman Storey were catapulted through the window of the cab, but beyond being stunned for a time were not seriously injured.

Passengers were thrown about the coach, the total number aboard being about twelve. Stringer, a commercial traveller, from the Queen city, was painfully hurt and was taken to Teeswater at once by motor.

It is considered wonderful that the casualties were not more serious. There is a deep ditch on the right of the point where the run-off occurred and the cars piled up just on the verge of a steep drop.

An auxiliary was summoned from Toronto and a freight engine from Teeswater went at once to the scene.

The track was not cleared until noon on Thursday, meantime mail was taken to Wingham by motor truck. The amount of damage to the track and rolling stock cannot at present be ascertained.

Mr. Pape was able to return to his home in Toronto on Monday.

Mr. W. H. Willis and Mr. W. E. Brawley were on the train and both were badly shaken up but fortunately neither were injured.

ORANGEVILLE, APRIL 20, 1922

What Are They Paid For?

WHAT are the people of Ontario paying their members of the legislature for anyway? Is it to go to Queen's park and appoint highly-paid commissioners to investigate, this, that and the other question that the members themselves should do? When the U. F. O. government assumed power we candidly admit that we expected an era of progressive, economical and democratic legislation. In this we have been very much disappointed. If the U. F. O. had searched the province from

WE observe that very few towns are going in for daylight saving this year. The idea of putting the clock on an hour in summer is a good one, but why the scheme encountered such violent opposition is hard to fathom. Unless it is adopted by the nation, however, daylight saving becomes an unmitigated nuisance. With one town on standard time and the next on daylight saving people were put to a great deal of inconvenience.

CENTRE ROAD BARN GOES UP IN SMOKE

Crop, Implements and Horse Consumed—Loss Heavy With Small Insurance

About 11 o'clock Tuesday morning the barn on the Hughson farm, Centre road, Caledon, a couple of miles from town, was completely destroyed by fire and the present owner of the property, Hugh Potter of this town, formerly of Caledon, is a heavy loser.

A Clean Sweep Mr. and Mrs. Potter were out in the potato field and the first they knew of the fire was when they saw flames shooting out of the sides of the barn. Meanwhile neighbors had also discovered the blaze and a phone message was sent to town for help. Soon a large crowd was on the scene, but the fire had made so much progress and the heat was so intense that nothing could be saved. An implement shed near the barn, which contained all the implements, caught fire and was also consumed.

WATER TANK COLLAPSED

Forty Thousand Gallons Wrecked Building and Causes Big Loss

At an early hour Monday morning the water tank at the C. P. R. yards burst with a roar that awakened the residents in the vicinity and many sprang from their beds in the belief that an earthquake had struck town.

Hoops Gave Way

The tank, which was enclosed in a frame building, held 40,000 gallons of water and was erected 12 or 15 years ago. It was full at the time of the collapse. It is supposed that the steel hoops of the tank gave way and released the great quantity of water, which, in its rush, completely demolished the frame structure that surrounded it. It is said the tank cost \$3,500 when it was built, but would cost much more today.

A gang of men were at work early in the morning clearing the wreck. The tank will be replaced at once.

TRAIN JUMPS TRACK PASSENGERS SHAKEN UP

**Narrow Escape of Engine
Crew in Smash Near
Wroxeter**

Twelve passengers and the members of the crew of the C. P. R. express from Toronto suffered a shaking up Wednesday night when the train left the rails between Wroxeter and Glenannan about 10 o'clock. The engine was thrown across the track and the baggage car climbed the tender. The engineer and fireman were thrown out of the pilot house through the window. Conductor Walker and the baggage man were hurled from the baggage car. One of the passengers, a commercial traveler, named O. Stringer, of Toronto, was badly shaken up. Engineer Hyland, of train 755, received bad flesh wounds, but is able to get about. Baggage man Marshall Pape, the worst hurt of the members of the crew, was taken to Wingham. Fireman Storey, of Toronto, was also badly hurt.

AROUND US

MIDGETS NOSED OUT BY ST. KITTS

**Hard Luck Helps to Keep
Another Championship
From Coming to
Orangeville**

St. Catharines took home the O. A. L. A. midget championship on Saturday, defeating Orangeville at Scarboro Beach, Toronto, six to five, in a sudden-death game that was an example of exceptionally good lacrosse for youngsters. St. Kitts had an advantage in weight, but Orangeville had a lot of hard luck, hitting the goal posts four times in the first quarter. St. Kitts' goalie was struck in the eye in the third period. Orangeville weakened in the third when St. Kitts ran in two. Orangeville scored one in the last period but could not tie up the game although they tried hard.

The game was faster than many expected. St. Kitts broke nicely, but Orangeville rallied, the play in the first quarter being very even. Price, as the odd man, scored for the Green Shirts.

DUFFERIN TEACHERS

**Forty-Second Annual Meeting Very
Successful**

The forty-second annual meeting of the Dufferin Teachers' Institute was held in Shelburne on Thursday and Friday, October 12th and 13th. The President, Miss Fannie Shain, delivered a very thoughtful address, urging a high standard of education for the Canadian pupil.

Mr. Laben Boggs gave a comprehensive description of his northern Ontario trip during the latter part of August. He expressed his surprise at the vast extent of splendid arable land awaiting the homeseeker. A Paper by Miss Bessie Perfect outlined the course on study in Geography for Form III.

Mr. J. W. Firth, B. A., Toronto Normal School, gave an instructive address on the "Aims and Purpose of Nature Study," and showed that under proper methods of teaching the powers of observation and expression could be developed and at the same time correlate other subjects.

Mr. A. L. Hartimer, Principal of the Orangeville Public School, took a his subject, "Lost Time in School," and Misses J. Monaghan and V. Johnston showed "How to Gain Time in
