It is pointed out that while the receipts showed a decrease of 5.6% from 1914, there was a saving of 9.1% in operating expense. After paying debenture interest \$7,851.60 and writing off depreciation, \$5,497.72 the net profit shown of \$1,228.88 is approximately \$800 more than that shown for 1914.

August

mile, with the privilege of extending.

Berlin & Waterloo St. Rallway.—W. H. Breithaupt, on behalf of this Co., has made a proposition to Berlin town council to extend the line to Galt via German Mills, Doon & Blair, if the town of Berlin will guarantee \$100,000 of bonds.

## Electric Railway Projects, Construction, Betterments, Etc.

Residu and Morthern Ry... We are afficially sequented that the line are being operated the extends from Berella to frifesport, and has to his being extended northerly from Bridge port to Riccampagate Out It is owned and the brightness of the series of the Brightness of the Brightness of the Brightness of the Brightness of the Company, we have a discount from the city of Berilla. (Aug., 1991)

A contract is reported let to M. J. Cough-lat and Son, for the creeffon of a schel-bridge across Pales (resk N Klausen, on the Rohm line, to replace the present wooden treatle.

Notice stand that the basis of an agreement was reached Aug 13 between the company and the Vencouse City Council on the bridge question. In comequation of the 14 to brightness of the 14 to brightness and exceptions on the Hastings St. East and Neusline St. lines will be gone on with at one.

Various questions have been raised between the city of varcouver and the company of the top of bridges it was recently fromed that the company was not paying remain for the fight to reas circum bridges, and Sending the settlement of the mattery the company has desided not to do autithing an about the transfer of the set of the tracks.

In some cases the city response to charge in the very of the tracks of the set of bridges, while the company contends an armined for the the company contends at about not the tracks.

In some class the friedress of medical and the tracks.

While the company contends it should not been being but not the set of the tracks.

In the company of the trackets of medical but the reset of the tracks.

In the company contends a decision has yet been being but not the set of the bear head but not the set of the bear head.
